

# CAB FILTER ORDERING INFORMATION

## Replacement Carbon For Most Applications Part #70055

- If you cannot find the listing for your cab filter, please contact us to discuss building a custom filter.
- Dutch's filters use the external dimensions of the casing without the seal.
- Some filters require two boxes of the medium to completely fill; both are included in the price of the filter.
- See last page for ordering instructions.

## Replacement Ammo-Gran For NH3 Part #70056

- Some tractors require two filters; the Dutch part number includes both filters.
- Replacement paper can be ordered by the box. Each box will contain three pieces of paper. To order, simply add the letter 'P' to your part number and have it ready.
- Carbo Gran 70055 comes as part of our filter kit.
- Ammo Gran 70056 will include an additional fee.
