TERRITORY MANAGER**

**ON
FARM
FOR
YOU**

WHY 'ON FARM FOR YOU'?

At Dutch Agriculture we pride ourselves on good old-fashioned customer service; the kind of service that seems rare these days. Our team of territory managers is eager to visit you right on your farm. We want to learn about your operation and unique seeding requirements, show you samples, and keep you up-to-date on all of our openers, including the latest innovations for the coming seeding season. We have built our reputation on the innovations that only come from talking about farming with producers like you.

To schedule your on-farm visit, please contact your local Dutch Agriculture Dealer or your Territory Manager at the number provided overleaf.
